ABOUT US

GTS World had inception since 2008. Recognized today as Rajasthan's Most Diversified Realtor. GTS World has been honoured time and again by the most renowned Leaders of Real Estate.

GTS World, a dynamic company driven by intelligent investment strategy and team welfare motives. Our mission is to create investment and return plans with highest secure returns options. We work as a team and take big challenges, and we tackle challenges delivering excellent results.

GTS continuously makes every possible effort to fulfil the property dreams of happiness and wealth of its customers.

OUR MANAGEMENT

Managing Director
MR.M.S.SHEKHAWAT

Co- Partner
MR. S.S.SHEKHAWAT

Our mission & vision

Deliver Investment returns with full security.

Your investment is absolutely safe and secure with our plans. We make sure that your investment is used optimally to deliver best returns.

Minimizing Risk on Investment

We minimize and eradicate all risk on investment right from the first day of your joining. Our plans are designed to reduce risk involved.

Delivering best returns to last team member

Our fully secure investment plans are designed to give you maximum returns right from day one of your investment. Team member is priority of leader.

To be the global leader in investment and technology advancements, transforming businesses and enriching lives through our pioneering products and services.

(Ram Chandrapura Industrial Area
Extension)

UNIQUE INDUSTRIES

Plastic Home utility products

Unique Industries is a leading manufacturer of plastic based products. We manufacture all kinds of plastic products that are used in home and industries. Manufacturing durable, robust and reliable plastic products for home and industrial use and supplying them through most effective distribution channels for maximum reach and use is our mission.

Agra Road bassi [Jaipur]

WWW.GTSWORLD.CO

DAILY MANDI TRADE

Agriculture commodity trading

Agriculture commodity trading refers to the buying and selling of raw agricultural products such as grains, oilseeds, livestock, and other agricultural products on various financial markets.

These markets allow producers, consumers, and investors to manage their risk exposure, speculate on price movements, and ensure a steady supply of agricultural products.

JAIPUR [Rajasthan]

ELECTRONIC HOME APPLIANCES

All Home Appliances with complete range

After continuous development GTS home appliances has developed into a modern comprehensive manufacturing enterprise integrating the R& D, manufacturing and sales of intelligent household appliances such as washing machines, microwave ovens, ovens and refrigeration, lights and home kitchen food processing products.

GTS home appliances has a strong production R&D and manufacturing team, quality control team, online and offline sales team and after-sales service team..
